Subject: FW: Invoice for SO-2026-007370 - wrong price on headlamps

Hi,

see below from our buyer. The invoice for order SO-2026-007370 shows 51.90 EUR per unit for the Kaamos Ultra Lite Headlamp Moss Green, but they were in your Autumn Trail Sale promotion at 38.92 EUR when we ordered on 2026-08-28. Please send a credit note for the difference on 36 pcs (467.28 EUR). The lanterns on the same order are fine.

Our customer number with you is C-10005.

Best regards,
Jonas Sørensen

Jonas, can you take this up with Nordic Supply? I ordered the headlamps on the promo price (it was on their portal, 38.92) and the invoice has the normal price. /Camilla
